

DECLARATION

MONTE ROSA SKYMARATHON JUNE 17, 2023

The undersigned..... born in.....
resident in..... ofnationality, aged 18 or more, relative to the
MONTE ROSA SKYMARATHON, to every effect of the law,

declares

- to view the course before the race and confirm that the technical level is within the athlete's capabilities; to be aware of the course sections with fixed ropes, stretches of partially exposed areas, a long high altitude section across glaciers and crevasses, albeit with the presence of race marshals;
- to be in possession of a high-altitude mountaineering/sports curriculum adequate for the competition entered;
- to have been informed by the organisers of the potentially dangerous aspects of the competition which takes place in a mountain environment at high-altitude with consequential immovable dangers which all the competitors will face and to conscientiously assume the risk in any case;
- to be in possession of a current medical certificate (with the current year's date) – which is attached – attesting, according to the current legislation, full eligibility to take part in competitions with the characteristics of the race in question which presupposes a cardiovascular workout at high altitude;
- to expressly exonerate the organisers from any liability for non-serious negligence relative to an eventual accident that the athlete may fall victim to;
- to have been informed by the organisers of the possibility of a postponement and/or cancellation of the race for technical and incontestable reasons.

June 16, 2023

The competitor
